ADAMANTE

Forma circular

2026

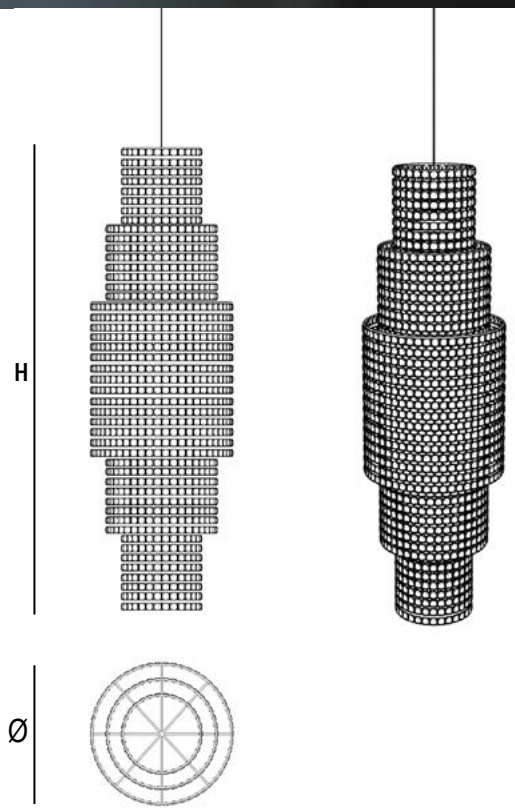
Three concentric cylinders nested one inside the other, creating an elongated three-dimensional effect. The light is situated at the centre of the lamp, like a beating heart that radiates its light through these layers, rich in colour and brilliance, thanks in part to the faceted, tile-shaped crystals.

Details

Each lamp is a unique piece, handcrafted by expert Italian artisans who certify the authenticity of Made in Italy every day.

Colors

chromed iron structure
transparent or colored crystal



Technical specifications

MATERIALS
chromed metal frame and Italian crystal

included
LIGHT SOURCE
LED E14 Philips dimmable bulbs (included)
energy class A+ --> E
SUSPENSION CABLE
steel cable - custom length
DIMMERABLE
yes
COLOR OF LIGHT
2700 K
VOLTAGE
220 - 240 Volt
CERTIFICATIONS
CE IP20
PACKAGING
timber box treated in compliance with ISPM15

Dimensions

FORMA CIRCULAR Ø 36 x H. 120 cm

ADAMANTE

Forma square

2026

Three concentric square blocks nested one inside the other, creating an elongated three-dimensional effect. The light is situated at the centre of the lamp, like a beating heart that radiates its light through these layers, rich in colour and brilliance, thanks in part to the faceted, tile-shaped crystals.
