

Forma circular 2026

Three concentric cylinders nested one inside the other, creating an elongated three-dimensional effect. The light is situated at the centre of the lamp, like a beating heart that radiates its light through these layers, rich in colour and brilliance, thanks in part to the faceted, tile-shaped crystals.

Details

Each lamp is a unique piece, handcrafted by expert Italian artisans who certify the authenticity of Made in Italy every day.

Colors

chromed iron structure
transparent or colored crystal

Technical specifications

MATERIALS

chromed metal frame and Italian crystal

DIMMERABLE

yes

COLOR OF LIGHT

2700 K

VOLTAGE

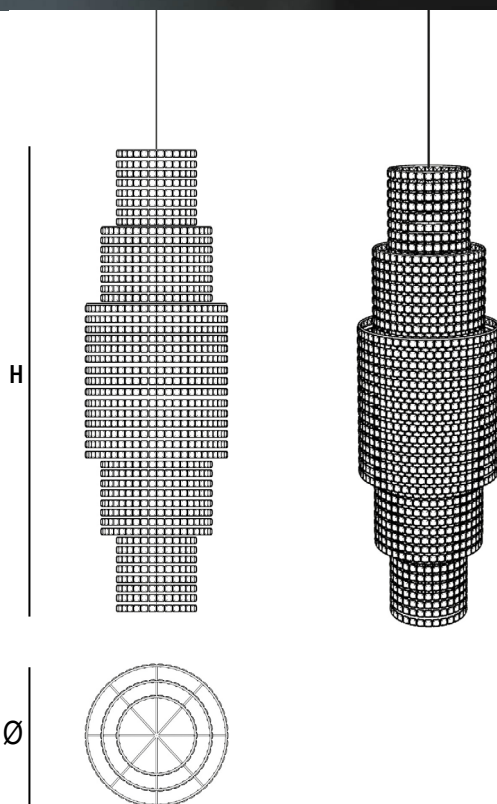

220 - 240 Volt

CERTIFICATIONS

CE IP20

PACKAGING

timber box treated in compliance with ISPM15

Dimensioni

FORMA CIRCULAR

Ø 36 x H. 120 cm

Forma square 2026

Three concentric square blocks nested one inside the other, creating an elongated three-dimensional effect. The light is situated at the centre of the lamp, like a beating heart that radiates its light through these layers, rich in colour and brilliance, thanks in part to the faceted, tile-shaped crystals.
